

# An Evening with Wine

**Hosted by Adrian Dew**

**Wednesday 28<sup>TH</sup> March 2012 6.30pm**

We are very lucky to be joined again by Adrian Dew of Hallgarten Wines as he guides us through an evening of fine wine pairings accompanied with a mouth-watering deli platter.

The session will involve Adrian giving great lessons and tips on how to taste and sample wines, and also what to look for when selecting a great wine! We will be focusing on Old World wines versus New World wines; you can decide which your favourite is!

Included in this price will be nibbles throughout the evening, with a delicious deli platter for you to enjoy, and of course plenty of wine!

As we only have a small amount of space, tickets will be limited, so get them quick! Booking is essential!

Tickets are £17.50 to include all wine and cheese

**Please don't drink and drive!**
